Functional Foods for Special Health Uses

FERMENTED POMEGRANATE CONCENTRATE

- **Food for Medical Purposes** - Gut + Brain
- **Why MILESTONE®** - Vitamins, minerals and antioxidants should be received in their unadulterated natural form.
- **Why Plant-Based** - It's a matter of respect for life.
- **Highly Concentrated** - Pomegranate concentrate is 100% naturally enriched in Calcium and Potassium, as produced by at least 25 healthy, high quality organic pomegranates.
- **High Quality** - Extracted instantly, maximizing its health effect. Protected in a dark glass bottle to prevent photo-oxidation and migration of microplastics until it reaches your hands.
- **Five Unique Characteristics** - **Fermented** with natural Lactobacillus, **Omega 5** fatty acids, **natural ellagic acid**, maximum **antioxidant** support, **no additives or sugar**.
