Functional Foods for Special Health Uses

HIGH PHENOLIC EXTRA VIRGIN OLIVE OIL (EVOO)

- **Food for Medical Purposes** - Anti-oxidative Stress + Cholesterol
- **Why MILESTONE®** - Vitamins, minerals and anti-oxidants should be received in their unadulterated natural form.
- **Why Plant-Based** - We truly care about the planet and we do everything to sustain its biodiversity.
- **Highly Concentrated** - A 100% clean, pesticides free, synergistic functional food formula with at least 50 times more anti-oxidants than common olive oil
- **High Quality** - Extracted instantly, maximizing its health effect. Protected in a dark glass bottle to prevent photo-oxidation and migration of microplastics until it reaches your hands.
- **Five Unique Characteristics** - Rich in **Omega 3 (ALA)**, **Omega 6** and **Omega 9** (oleic acid) fatty acids, natural **hydroxytyrosol** and **tyrosol** bioactive compounds, **no additives or preservatives**.

Vitamins through Foods!

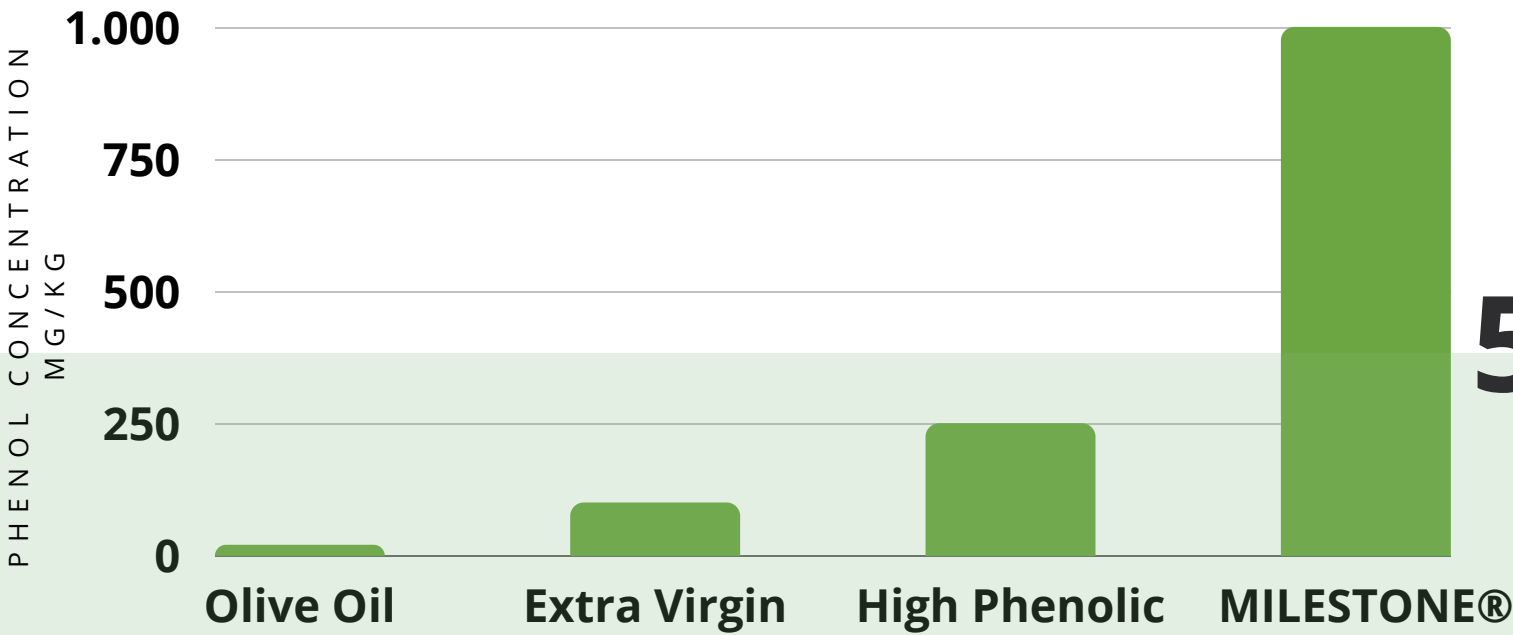

10ml = 200 olives

How to use?

HIGH PHENOLIC EXTRA VIRGIN OLIVE OIL (EVOO)

50x ANTIOXIDANT

+ 4900% Polyphenols
Oleasin, Oleocanthal, Hydroxytyrosol, Elenolide

100% Healthy Fat
Ω9 Oleic Acid + Ω6 Linoleic Acid + Ω3 (ALA)

Awarded as one of the most antioxidant olive oils on the planet for 8 consecutive years

LDL Cholesterol

Lower your cholesterol with mono-unsaturated fatty acids

Anti-oxidant protection

Your body donates more electrons to free radicals and lowers your oxidative-stress
